

Five Little Fish

Five little fish were swimming in the sea,
Teasing Mr Shark, you can't catch me, you can't catch me,
Along swims Mr Shark quiet as can be,
And SNAPS the fish from the sea.

Four little fish were swimming in the sea,
Teasing Mr Shark, you can't catch me, you can't catch me,
Along swims Mr Shark quiet as can be,
And SNAPS the fish from the sea.

Three little fish were swimming in the sea,
Teasing Mr Shark, you can't catch me, you can't catch me,
Along swims Mr Shark quiet as can be,
And SNAPS the fish from the sea.

Two little fish were swimming in the sea,
Teasing Mr Shark, you can't catch me, you can't catch me,
Along swims Mr Shark quiet as can be,
And SNAPS the fish from the sea.

One little fish were swimming in the sea,
Teasing Mr Shark, you can't catch me, you can't catch me,
Along swims Mr Shark quiet as can be,
And SNAPS the fish from the sea.
