

Personal, Social and Emotional

Feelings:

Look in the mirror and make faces of different emotions, talk about and try to guess how you feel.

Learn to name a new feeling by choosing a song to listen to on Cbeebies:

<https://www.bbc.co.uk/cbeebies/watch/feeling-better-songs-playlist>

Digital

Communication and Language

Play "I Spy":

Take turns to say "I spy with my little eye, something beginning with..." (remembering to use the initial sound of the object not the letter name). If this is a bit difficult so to start with have a small selection of toys to choose from. Or if it's still too hard give clues or play "I spy colours"

Talk

Physical

Musical Statues or Bumps:

Play some of your favourite music to dance to and when it stops freeze or sit down. Prizes (or high fives) for best dance moves or stillest statues!

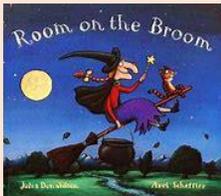

Play

Literacy Story

Read Room on the Broom by Julia Donaldson (or watch it being read aloud: <https://m.youtube.com/watch?v=atdBf9ZfmUQ>)

Can you remember what the witch used in her magic spell?

If you like magic (and Julia Donaldson) also try The Princess and the Wizard

Each Thursday at 4pm Julia Donaldson will be performing stories, songs and poems on Facebook

Mathematics

Lego/Duplo/building block towers:

Have a race and see who can build the tallest tower in one minute. You could use the timer on your phone and then do some measuring. You could use a tape measure, a piece of string or ribbon or even a long piece of paper to measure the towers and compare the size.

Build

Understanding of the World

Imagine

Make a magic potion:

Collect some natural objects such as leaves, petals, grass, stones and/or lemon slices and invite your child to make a magic potion by mixing the special ingredients into a pot of water.

Decide what the magic potion will do then try it out on members of the family!

Expressive Arts and Design

Tell a story then act it out:

Ask your children to tell you a story. Write it down and act out the story together. Encourage your children to draw or paint a picture for their story if they'd like to.

We hope you are all safe and well. Here are some more suggested ideas for this week - pick and choose those you feel your child will enjoy - no pressure! If you do take any photos of things you're doing at home feel free to send them to your key person or class teacher. We can put these on our Twitter feed if you give consent - follow us at [@KintorewayNS](https://twitter.com/KintorewayNS)
